“I'm tired of being told what has been negotiated for me without my vote counting!

I'm even more frustrated with the CAUSE/CSLEA Board of Directors telling me they're taking 1 1/2 hours of my vacation time to support Barcelona and his crew to run around full time (release time) on my dime.

The last contract negotiated was not in the best interest of any Peace Officer in unit 7. If this continues, we will be the 'last chance' police department. No lateral officer could afford to become part of our agency with poor benefits, two-tier retirement and low pay. I have spoken to several qualified candidates who love to work for the Attorney General's Office, but they simply cannot take the pay and benefit cuts.

I fully support what the **P.O.C.** represents and wish them luck in becoming a peace officer only union.”

Sincerely,

Jeffrey Aleman,
Special Agent
California Department of Justice
Bureau of Firearms
