"I have been an Investigator for the Department of Motor Vehicles for over ten years now, and this is the first time I have felt hopeful about my future! An all Law Enforcement Union will save us. As police officers, we have special needs and those needs have been ignored by CAUSE / CSLEA. However, CSLEA is quick to use the term, "Law Enforcement," in order to get better pay and benefits at the bargaining table for the largest part of their membership, the non-sworn. Thank you P.O.C. for coming to our rescue!!"

**Janny Stidham,
Investigator, Department of Motor Vehicles**

P.O.C. Secretary (Feb 2009 to present)
