**“I just want to show my support for an association committed to its members. I, as many of my co-workers, have waited years for peace officer only representation in which the members have a voice, a voice that is heard and not censored! As a DMV Investigator of ten years plus, and a law enforcement officer for twenty years, I know the importance of standing up for what’s right. The latest antics of CAUSE / CLSEA with the intimidation and threats is over the top and needs to be stopped. You have my full support!”**

**Scott Silva #198,  
Investigator  
California Department of Motor Vehicles  
Investigations Division  
Fresno Office**
