December 20, 2010

To: BU7 Peace Officers

From: Victor U. Sanchez
President

Regarding: **2010 Accomplishments**

On behalf of the entire Peace Officers of California Board of Directors, I wish each and every one of you a joyous Christmas and the hope that 2011 is a better year for all of us.

I would like to share with you what **P.O.C.** has accomplished this last year and assure you that **P.O.C.** is alive and well and will continue to represent each of you this coming year. **P.O.C.** Directors and members continue to work endlessly to achieve a severance of the sworn peace officer members from Bargaining Unit 7 and the forced representation by CSLEA. To that end we have made strong headway. Here are a few of **P.O.C.** accomplishments:

- **P.O.C.** has your back with outstanding Legal Defense provided by the law firm of Lackie, Dammeier & McGill, APC., . . . the same firm used by PORAC. For more information, go to WWW.PoliceAttorney.com and take a look at their client list!
- **P.O.C.** has retained the assistance of George Osborn, a lobbyist and former police officer and good friend of **P.O.C.** George has helped us in countless ways and will continue to do so in the future.
- **P.O.C.**, through the tireless efforts of [Chris Lewis and Scott Edelen](#), kicked CSLEA's entire team of attorneys to the curb by winning a decision from PERB, allowing ALL of you to withdraw from CSLEA whenever there is [no contract](#) in place! A feat not accomplished by many.
- **P.O.C.** has managed to keep dues reasonable AND affordable by your [Board of Directors'](#) personal financial sacrifices and volunteerism to the cause.

- **P.O.C. Endorsed** Jerry Brown for Governor when CSLEA poured millions of your dues money into the coffers of Meg Whitman and Steve Cooley AND opposed Brandon Shoemaker for Assembly because, as a CSLEA member, he asked questions CSLEA did not want to answer!
- Unlike CSLEA, **P.O.C.** is frugal with your dues money when it comes to getting advice, especially from a lobbyist who receives thousands of dollars, but can't get results!

These are but a few of **P.O.C's** accomplishments for 2010.

Many more will be achieved in 2011.

Will you be with us to celebrate more accomplishments in 2011?

Or will you be sitting on the fence, taking a wait and see attitude?

P.O.C. needs your support.

Join us and help us/yourself to get out from beneath the tyranny of CSLEA.

[Tell me again, why are you still hanging onto CSLEA??](#)

[P.O.C. is here to stay, so why not join the fight](#)
