To whom it may concern,

This is my response to the untitled document from the California Statewide Law Enforcement Association (CSLEA), titled **2008 Fair Share Fee Notice**.

As a fair share member currently paying the service fee, the purpose of this letter is to notify CSLEA that **I object** to the use of any portion of my fees for the activities not germane to the collective bargaining function or for benefits available only to full members.

Please take notice that this constitutes my formal **Objection** to paying the full service fee.

Please recalculate and reduce my fees accordingly.

Sincerely,

Mark [redacted] Falcione
