Re: Objection to Full Service Fees and  
Resignation as a CSLEA Member

To Whom It May Concern:

The purpose of this letter is to notify CSLEA that I object to the use of any portion of my fees for the activities not germane to the collective bargaining function or for benefits available only to full members.

**This letter should serve as my formal notice to CSLEA of my resignation as a CSLEA Member effective immediately, and my objection to paying the full membership service fees. I insist on the immediate recalculation and reduction in my fees to the objector/agency fee payer amount of \$33.17 per month.**

Sincerely,

Michael J. Guter
